

Turnkey End-of-Year Quality Improvement

Scalable, Measurable, Medically Appropriate

Meaningful Food Solutions

FarmboxRx delivers nutritious foods paired with customized health education to **Improve Health Outcomes** and **Implement and Promote Wellness**. Leveraging food as a tool to motivate and educate members.

A Trusted Partner

FarmboxRx has created **scalable and medically appropriate** quality improvement and MLR programs for numerous Managed Care Organizations (MCOs). We successfully deliver over 17 million lbs. of food to members across all 50 states annually.

Rapid Implementation

We are capable of a **two-week program deployment** when a national agreement is in place, and can accommodate rolling purchase orders as late as December.

Available MLR Program Tracks

Chronic Care		General Wellness		Child & Adolescent		Social Needs
